

On the Go Snack Ideas

• Remember these tips

- O Do not try new foods on a game day. Know what upsets your stomach and avoid those items
- O Eat a snack <u>30-60 minutes</u> before practice or game
 - Will help you feel less hungry
 - Will help maintain blood sugar levels
 - Give you an extra "boost" of energy
- Avoid spicy, fried, creamy, and caffeinated food items before a game or practice
